

SCHOOL BOARD MEETING REPORT

Board Meeting Date: February

Agenda #

Staff/Administrator: S. Burgess / D.Misner

Superintendent: Dan Huber-Kantola

Type of Item: Informational Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

Allow out of state travel for History Trip. March 17th through the 24th. Students will pay for the trip by fundraising and out of their own funds. Because of my lack of knowledge about the adopted calendar it may be necessary to leave on March 16th or return on March 28th. Airline tickets may be considerably less expensive on these days. If so, I will take a personal day to cover the travel day and pay for the sub.

Provide history/background information on your proposal.

This is the third trip to the East Coast. I have several students and two parents signed-up to go. This planned locations are Boston, New York, Philadelphia, Baltimore, Gettysburg, and Washington DC.

List the advantages of your proposal:

Personal interaction with history where it happened. There is no cost to the district.

List possible disadvantages of your proposal:

Cost, weather, and other uncontrollable concerns when planning a trip in the future to locations that are different than local travel.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

I know of none. This proposal attempts to take full advantage of the cut days prior to Spring Break.
