

Dunlap Community Unit School District 323
Board of Education Meeting
April 15, 2026

INFORMATION ITEM

TO: Members of the Board of Education
Dr. Scott Dearman, Superintendent

FROM: Dr. Matt Andrews, Assistant Superintendent

SUBJECT: Federal Grant Consolidated District Plan

BACKGROUND INFORMATION:

In order to apply for and request reimbursement from Federal Grants, districts must complete a “Consolidated District Plan,” which asks school districts to answer questions and provide evidence of the funding use. While the plan has holistic portions addressing all Federal funding, specific sections ask how the funds received will maintain spending fidelity and be monitored to determine positive student growth and achievement.

The plan is required to be approved by public school district boards of education annually, and the Dunlap CUSD #323 Board will be asked to approve the attached plan at the May 20, 2026, Regular Board of Education Meeting.
