On February 20, 2025 the Building Naming Ad-Hoc Committee met to discuss all of the new facilities that are being built and the need to name them in the near future. The buildings that are going to require new names in the 2025-26 school year include, but may not be limited to, are those that will be located within the old Novi Meadows 6th Grade House, the Instructional Technology Center (ITC) and the Educational Services Building (ESB).
