AGENDA ITEM: Discuss and consider submitting for a TEA waiver for 40% Campus Hybrid Instruction for 9th – 12th Grade Students

For students in grades 9-12, school systems may establish a less-than-daily on-campus attendance schedule as the sole offering for students in one or more high school campuses of the district in order to reduce the number of individuals on a campus at any one time and increase the total number of students served in an on-campus setting in the district. In the event there is not a daily on-campus attendance option in one or more of these grade levels, the district must ensure that on-campus attendance is offered as part of the hybrid schedule at least 40% of the days in each grading cycle (typically 6-or 9-weeks periods). **Ball High School would like to implement its hybrid model effective September 21.** Any district that pursues this hybrid option while not providing a daily on-campus offering for students who otherwise wish to attend on campus may do so after submitting a waiver request to TEA. All waivers will be conditionally approved upon receipt but may be subject to further review by TEA.

RECOMMENDATION: I move that the Board of Trustees grant permission to administration to submit a TEA waiver for 40% Campus Hybrid Instruction for 9th – 12th Grade Students.
