Educational Support Personnel

5:280 Duties and Qualifications

All support staff: (1) must meet qualifications specified in job descriptions, (2) must be able to perform the essential tasks listed and/or assigned, and (3) are subject to Board of Education policies as they may be changed from time to time at the Board's sole discretion.

Paraprofessionals

Paraprofessionals provide supervised instructional support. Service as a paraprofessional requires an educator license with stipulations endorsed for a paraprofessional educator unless a specific exemption is authorized by the Illinois State Board of Education (ISBE).

Paraprofessionals and teacher aides are noncertificated personnel with supervised instructional duties; the terms are synonymous. Service as a paraprofessional or teacher aide requires a *statement of approval* issued by the Ill. State Board of Education (ISBE), unless the individual holds any certificate indicative of completion of at least a bachelor's degree or a provisional vocational certificate, is completing an approved clinical experience, and/or is student teaching.

Individuals with only non-instructional duties (e.g., providing technical support for computers, providing personal care services, or performing clerical duties) are not paraprofessionals, and the requirements in this section do not apply. In addition, individuals completing their clinical experiences and/or student teaching do not need to comply with this section, provided their service otherwise complies with ISBE rules.

Nonlicensed Personnel Working with Students and Performing Non-Instructional Duties

Nonlicensed personnel performing non-instructional duties may be used:

1. For supervising study halls, long distance teaching reception areas used incident to instructional programs transmitted by electronic media (e.g., computers, video, and audio), detention and discipline areas, and school-sponsored extracurricular activities;
2. As supervisors, chaperones, or sponsors for non-academic school activities or for school activities connected to the academic program during any time in which the Governor has declared a disaster due to a public health emergency, in accordance with ISBE rule; or
3. For non-teaching duties not requiring instructional judgment or student evaluation.

Nothing in this policy prevents a nonlicensed person from serving as a guest lecturer or resource person under a ~~certificated~~ licensed [PRESSPlus1](#) teacher's direction and with the administration's approval.

Coaches and Athletic Trainers

Athletic coaches and trainers shall have the qualifications required by any association in which the School District maintains a membership. Regardless of whether the athletic activity is governed by an association, the Superintendent or designee shall ensure that each athletic coach: (1) is

knowledgeable regarding coaching principles or fundamentals of coaching, (2) has first aid training, (3) has training and knowledge on the use of Cardiopulmonary Resuscitation and also Automated External Defibrillator use according to rules adopted by the Illinois Department of Public Health; and (4) obtains online concussion certification by completing online concussion awareness training in accordance with 105 ILCS 25/1.15. Anyone performing athletic training services shall be licensed under the Illinois Athletic Trainers Practice Act; be an athletic trainer aide performing care activities under the on-site supervision of a licensed athletic trainer; or otherwise be qualified to perform athletic trainer activities under State law.

Bus Drivers

All school bus drivers must have a valid school bus driver permit. The Superintendent or designee shall inform the Illinois Secretary of State, within 30 days of being informed by a school bus driver, that the bus driver permit holder who is a service member [PRESSPlus2](#) has been called to active duty. New bus drivers and bus drivers who are returning from a lapse in their employment are subject to the requirements contained in Board policy 5:30, *Hiring Process and Criteria* and Board policy 5:285, *Drug and Alcohol Testing for School Bus and Commercial Vehicle Drivers*.
