

## SISD FOOD SERVICE BOARD REPORT

08/14/2025

SOUTHEAST ISLAND SCHOOL DISTRICT is participating in the National School Lunch Program's Community Eligibility Provision (CEP) this school year FY26 again. Meals will be available to all children of all our schools at no cost. SISD follows NSLP (Nation School Lunch program), SBP (School Breakfast Program) and FFVP (Fresh Fruit and Vegetable Program).

In the summer, we were participating (106 applications) in Meals To You program – a Free Summer Meal delivery Program for kids 18 and under that is provided by Food Bank of Alaska.

Starting from June, Food Bank of Alaska was sending boxes with shelf stable food that included 5 breakfasts and 5 lunches for each child, WEEKLY TO FAMILY'S MAILING ADDRESSES. Last delivery will be at the end of August, before school starts.

In September 2<sup>nd</sup>, at 2 pm representatives of Food Bank of Alaska will come to us with visit (Thorne Bay school). They will talk about their program Meals To You and they would like to hear feedbacks about this program from our parents. So please come and share your experience with it and your opinion. Thank you so much!
