

VI. COMMUNICATIONS TO THE BOARD

Information Only

K-5 Clubs and Community Liaisons (TPSD Goals #1 and #4)

**Mrs. Diana Ezell
Assistant Superintendent**

K-5 Clubs

- Four Clubs are the same district wide.
- Two clubs will be unique to the school. Some examples are Garden Club, Running Club, and Book Club. Additional clubs will continue to be led by volunteers who so graciously give of their time.
- The district will not provide transportation.
- Clubs will last 45 minutes to one hour depending upon the club and grade level.
- Club activities will enhance the core curriculum and provide challenging and hands on experiences for students. For example, students in the Science Club will be involved in conducting simple and complex experiments.
- Each school will set its schedule for club meetings.

Community Liaisons

- Serve as the contact for parents and community members for school tours.
- Will be the contact for partnerships within the community.
- Be available to answer questions about the day-to-day schedules and events of the school.
- Will refer administrative questions to an available administrator.
