**RE: Recommend Award of Project, Red Wing HS MAU 248 Replacement**  
KFI Project #20-881.000

Dear Kevin,

Regarding the project Red Wing HS Makeup Air Unit (MAU) 248 Replacement, documents were submitted to multiple contractors, to provide a comprehensive, competitive quote. The District received two quotes, as described below:

<u>Contractor</u>	<u>Bid</u>
Sylvander Heating, Inc.	\$47,660
Cool Air Mechanical	\$65,000

KFI Engineers has reviewed both proposals, and recommends that the district enter into a contract with Sylvander for \$47,660, materials and labor for replacement of MAU 248.

Sincerely,  
**KFI ENGINEERS**
