Hi Paula,

I read that you are still looking for a parent for the board. I am interested. I saw that application were needed a week ago and that was a busy week for us. If it's still available I would be happy to submit a letter of interest or fill out an application. Please let me know what you need.

I have three kiddos at the school we been there since 2020. I do what I can ( not nearly enough) to volunteer in the school. I have an Early childhood education AS. I was working towards my BS in family studies when Covid happened and we moved up here. I am a substitute for Tiny Sprouts daycare in Pequot. My main career is in heath and wellness, primarily massage therapist. I used to run a youth non profit in Elk River. I've spent years working with my local churches leading youth programs. Currently I'm the 5-6 grade director of the Lumberjacks program at The Log Church. My husband and I both volunteer as coaches for our kids various sports, so fairly active in the community. That's just a little about me in a nutshell. I would love the opportunity to further serve the youth and families of our wonderful community.  
Kind regards,  
Elizabeth Lies
