## School Culture

### Conscious Discipline:

Kindness Finder! As part of our morning meeting, teachers are recognizing kind things students do. Students will write their name on a leaf to hang on the Kindness Tree by the office!

### Glow Getters:

Teachers may nominate one student each month. One student from Pre-K, Kindergarten, and 1<sup>st</sup> will be chosen by principals. Winners will write their name on the “Glow Getter of the Month” wall of fame and a picture will be posted to social media.

### Ray of Sunshine Shout Out Book:

Staff is writing shout outs to each other in a notebook. Mrs. Glenn and Miss Bus pick entries to share and celebrate at each staff meeting

## Curriculum

### Slow Start:

This year academic expectations did not start until after Labor day. Teachers took the first 2 weeks to focus on building relationships with students. They taught extra social emotional lessons, practiced using school supplies, and expectations in the classroom. Teachers felt like students were more ready to learn curriculum when it was time and appreciated extra time to build relationships.
