Superintendent's Recommendation

Recommendations for Hire:

Nancy Swarat - UHS Advanced Math Teacher - Temporary Contract 2024-2025

Brittany Day-Olafson - UHS Math Teacher - Brittany Day is an experienced educator who taught high school mathematics for four years in the Clark County School District in Henderson, NV. She earned her Bachelor of Science degree from the University of Nevada in May 2011, and has since been dedicated to helping students build confidence and succeed in math through clear instruction and a supportive learning environment. She and her husband are also accomplished soccer coaches at all levels, from preschool-aged through semi-professional.

Bianca Ortiz - CBMS Language Arts - Bianca has been a paraeducator at CBMS since 2023. She has held a District substitute license for the past couple of years, and she does a phenomenal job filling in for certified teachers. She has completed her bachelor's degree through EOU, and we are excited to have her take on a full-time teaching position for the coming year.

Joyce Roth - CBMS Math Teacher - Joyce Roth has been helping out as a roving sub for the past few weeks, and she's been doing an awesome job! She's jumped into different classrooms with ease and brought a great attitude every day. Before subbing with us, Joyce taught through the STARBASE program, so some of our kids already knew her from that. She's about to start a master's program soon, and we're excited for her as she takes on this next adventure!

Resignations:

To Umatilla School District,

Due to personal family considerations and the direction of my career, I will be unable to extend my contract beyond the 2024-2025 school year. After careful reflection, it has become clear that my professional and personal responsibilities require a change, and I will not be continuing at Umatilla High School.

I have thoroughly enjoyed my two years at Umatilla High, and during this time, I have gained valuable insights into both my personal growth and my teaching practice. The support and camaraderie from the faculty have been exceptional, and it is with a heavy heart that I part ways with such a wonderful community at the end of this school year.

Dear Rick Cotterell,

I hope this message finds you well. It is with grand emotions that I submit my resignation from my position as a Spanish teacher at Clara Brownell, effective June 30, 2025.

Having attended this school as a student, then returning as a teacher for the past three years, this decision was not easy. My time at CBMS has been very meaningful, both professionally and personally. The opportunity to contribute to the community that always took care of me has been an honor, and I will always carry the memories and lessons learned here with me.

While I am grateful for the experiences and relationships I've built, I feel that it's time for me to pursue new opportunities and challenges. I am confident that the students, staff, and the entire school community will continue to thrive and make a lasting impact, as they did for me during my time here.

Thank you for your support throughout my tenure at the school. I am truly grateful for the opportunity to be part of such an amazing school, and I will always look back on my time here with lots of gratitude.

Please let me know how I can help with the transition process. I am committed to ensuring a smooth transfer of my responsibilities.

Sincerely,

David Garcia Coria
