Dear Susan Jackson,

Thank you so much for your generous donation to Nehalem Elementary School's Family Resource Center. I've been busy the last few weeks ordering food to restock my food pantry. Your contribution makes it possible for me to provide the 80 bags of food each week to our children. I know our families are deeply grateful for the assistance and the children always look forward to Fridays for the special treats they get.

In addition to food, our FRC also makes sure that children and their families can come in and shop for any clothing items they need. There are a number of families in need of socks, underwear, jackets, shoes and I try to keep my clothes closet stocked with these essential items. I also like to keep toiletries on hand so I can slip them into backpacks when I know they are needed.

The FRC ensures that every student is able to join in our swim program by having extra swimsuits and trunks and towels on hand. We've had as many as twelve children in one class come to borrow swim gear.

Our Family Resource Center is able to offer all this support to our families because of donors in our community like you. Thank you again for your giving spirit!

Warm Regards,

Heaven Hartford, Family Resource Coordinator
