FFA Leadership: Development Event at Unity

On Monday, January 31st, the Unity FFA hosted the District 2 Leadership Development Competition. There were 7 different local school districts that brought their FFA students to compete in the leadership events. It was incredibly fun to watch all of the students carefully present and compete in each of the various categories. The students also received an exciting opportunity to

connect with Section 1 State Officer, Katie Simmer. The Unity FFA Program would like to thank all of the amazing judges and volunteers that provided competitors with excellent feedback and support. Unity is extremely proud of all of the competitors, and would like to congratulate Emma Mullin and Natasha Reed on their first-place finishes! Keep up the great work and thanks for your leadership!

EXCITING EVENTS Check out the Unity Website

Congratulations to the Unity Boys Basketball Team as they continue to experience growth and success on a weekly basis. With the Lakeland Conference being strong this year, it will be a fun 2nd half of the season! **1**

Mr. Zipperer's Resource students took the opportunity to connect with elementary students and teach them how to play various board games. It was a fun experience for all, and a great way to build community. **2**

FFA has an awesome history of generosity and community service. This year, Ella Liefving benefitted from the generosity of Sam Volgren providing a jacket! **3**

The ACT is just around the corner for Unity High School juniors. As continued preparation continues, parents should stay tuned for details coming out in the next few weeks. Good luck Juniors! **4**

Students will be celebrating Snowball during the week of February 7-11. During the week, students will get the chance to play games, learn about all of the various clubs at Unity High School, and enjoy some winter fun. **5**

"Practice like you have never won...compete like you have never lost."

Accountability Resource Gains Traction

During the week of January 24th, Unity High School implemented a new process to focus on increasing academic success and course/assignment completion. Each Monday, the High School Office staff identify any students that are receiving any grades below a C-. All students in that boat are then scheduled into an accountability resource until their grades are back up

above a C-. As soon as their grades are up, they are released from the accountability resource. On the flip side, students that are achieving with Cs or better are allowed to sign up for various Privilege Resource locations. The goal is to help students grow in their ability to prioritize and manage their time. So far, we have already witnessed extremely positive changes.
