

Family Fund,

12/24

Thank you for your holiday miracles! I am so grateful for your financial support to our families in need. You are positively affecting the lives of children + families in Tillamook County. Thank you for helping to keep a roof over their heads, their houses warm with electricity, + their bellies full with food.

Thank you for recognizing that hard working people need + deserve a little help now + then. Much Peace + Joy to you all this holiday season.
