

Tiffany Creek Elementary
Board Update
February 19, 2020

On January 21st we held a Family Fun Night with pizza and games in the library. We had over 60 students, siblings, and adults in attendance who enjoyed an hour playing board games, jenga, card games and more on a cold winter's night. A huge thanks to Holly Sweeney for always ensuring these nights are planned and carried out in a way that is valuable to all who attend.

We completed two weeks of our "Assessment Days" where all of our classroom teachers get time to work individually with their students to gain valuable data that will help drive instruction for the remainder of the school year.

We celebrated our 100th day of school on February 7th by dressing in bright colors to show how much "brighter" we have gotten this year and we topped it off with schoolwide bingo to end the day.

Parent/Student/Teacher conferences will take place on February 24th and February 27th. Staff inservice day will be on February 28th.

To kick off our Read-a-thon we welcomed an African Dance and Drum Troupe to our school on February 14th. The culmination of our Read-a-thon will occur during the week of March 2-6. Events planned for the week will be DEAR (Drop Everything and Read) times, Rolls and Reading, dress up days, and much more.
