Office of Learning & Teaching

TO: Dr. Mutchler, Board of Education
FROM: Andy Barrett
RE: Textbook and Resource Adoptions for 2020-2021
DATE: April 6, 2020

Attached you will find the list of textbooks and primary resources recommended for adoption for use beginning in the fall of the 2020/2021 school year. These resources have been reviewed as part of a rigorous evaluation process conducted by our faculty and administration and will either replace aging, outdated resources or support students in new courses or content areas.

Please note that this year, given the unique nature of the Covid-19 pandemic and the Governor's stay-at-home order, we will display these resources virtually. A section has been created on our district website and a link with additional information will be provided for each resource. For further details people may contact the Office of Learning and Teaching at LearningAndTeaching@geneva304.org.
