Meeting Date: September 18, 2025

Delegation of Settlement Authority

ACTION REQUIRED

South Coast ESD Service Credits to Other Schools

Background

The District has identified potential misappropriation of State School Fund dollars by the South Coast ESD to other school districts. In order to protect the District's interests and resolve this matter in a timely and effective manner, it may be necessary to engage in negotiations and/or settlement discussions.

Proposed Action

The Board is asked to consider delegating settlement authority to Acting Superintendent Tim Crider, either individually or jointly with a designated Board member, for the purpose of negotiating and finalizing any settlement agreements related to this matter.

Recommended Motion

"I move that the Board authorize Acting Superintendent Crider [individually/jointly with _____] to enter into negotiations and, if necessary, finalize settlement agreements on behalf of the District regarding the potential misappropriation of State School Fund dollars by the South Coast ESD."
