1.0 Recitals

- 1.1 The parties to this Contracted Services Agreement are the ACE Academy Charter School ("ACE"), Gresham-Barlow School District 10J, Parkrose School District 3, and Centennial School District 28J (collectively, "District");
- 1.2 ACE is a charter school authorized to provide an educational program as a public charter school under ORS Chapter 338;
- 1.3 The District is a public school District that is a Participating District in a Charter Agreement with ACE;
- 1.4 ACE has students from the District attending ACE and taking certain courses offered by ACE in the subject areas of architecture, construction and engineering.
- 1.5 The District provides a comprehensive instructional program for its high school students at its high schools, but is unable to offer the specialized instructional program offered by ACE.

2.0 High School Instructional Program

- 2.1 In exchange for the consideration provided in this Agreement, ACE agrees to provide access to its specialized instructional program to students who are residents of District as provided in ORS 339.133.
- 2.2 Students enrolled in their resident high schools taking core classes and electives may also attend ACE to take classes in the specialized instructional program.
- 2.3 The District has the sole authority to determine which District classes are appropriate for the ACE student.

3.0 Grades and Attendance

- 3.1 In exchange for the consideration provided in this Agreement, ACE agrees to provide services that will provide accurate records of attendance for the students attending the ACE.
- 3.2 ACE agrees to provide services to District for the accurate reporting of grades for all courses taken by an ACE student, whether the course is one offered by the District or by ACE.
- 3.3 District and ACE agree to consult with each other for each of the students within the District boundaries to determine the appropriate courses that will be offered by the District and those which will be offered by ACE.
- 3.4 ACE agrees to use a student data system that is compatible with the student data system used by the district so that ACE and the District can share student data.

- 4.1 Students enrolled in ACE who also attend a high school within the District may elect to receive a high school diploma from the District provided that the student completed the District's graduation requirements.

5.0 Consideration

- 5.1 If a student is attending ACE for specialized instruction the Funding Formula in Section 12 of the Amended Charter Agreement shall be modified as follows:
 - 5.1.1 The ADM shall be reported to Oregon Department of Education by the resident District for each co-enrolled student, minus the amounts in 5.1.2 and 5.1.3.

- 5.1.2 Districts on an eight period modified block schedule will pay 50% of the ADM to ACE. Districts on a seven period schedule will pay 57% of the ADM to ACE.
- 5.1.3 The cost of the services under this agreement provided by ACE equals either 50% or 57% of the ADM for that student depending on the resident high schools' schedule.
- 5.1.4 For illustration purposes, a full-time student who is taking specialized instruction at ACE is one who is attending enough courses at ACE that ACE would be entitled to either 50% or 57% of the ADM funding pursuant to ORS 338.155(2). District pays to ACE that amount as consideration for providing services to that students at ACE
