## Board Report

### April 18, 2019

#### Activities

Softball – We had six games so far, the team played very well. Out of the six games we have not won, but we have been competing very well with some of the power houses in Montana. Teams looking pretty good and we hope to have bigger and better games in the upcoming season. Thursday April 25<sup>th</sup> they are off to Columbia Falls for a makeup varsity game and will continue on to Missoula to play in Frenchtown on Friday and Saturday. Come support our Lady Indians softball team, they are improving each and every game.

Track- We are holding strong, we've had about 65 athletes participating in track. They have been to five meets so far. The progressive times and personal records are getting better every week. We are looking forward to our next three big meets before Divisional that will happen on Friday May 17<sup>th</sup> and Saturday May 18<sup>th</sup> at Butte. They are competing in Cut Bank today Thursday April 18<sup>th</sup> at the pre-Easter track meet. On Tuesday April 23<sup>rd</sup> they are off to the Eureka top Eight. Whitefish on Saturday April 27<sup>th</sup>, meet starting at 10am.

Awards Banquet for winter sports is in process. I did order the plaques, just waiting for them to arrive and I can set dates for awards.

Speech and debate had their Banquet. Edith Wagner and her crew had an Awesome season.

BHS band and choir will be attending the state music festival in Helena on May 3 and 4. June Matt will be taking five boys and four girls, and staying at the Home2 suites.

National Honor Society will be Monday April 29<sup>th</sup> at five o'clock in the Browning High School gym with dinner to follow; roast beef, mashed potatoes gravy, green beans, and a biscuit. Organized by Gus Garces, Quentin miller, and Cinnamon Crawford as the spokesperson on behalf of the new members of NHS.

#### EE KAH KI MAHT

The EE KAH KI MAHT summer activities student job applications we had a total of 24 who applied. The tunnel at Napi, where all the summer program supplies are stored, needs to be gone through so that we can be a few steps ahead; see what they have and don't have. Need to see where they are standing budget wise I know last year they took the kids on field trips and did swimming and bowling every other day.

## AD Position

Had interviews on Tuesday April 16<sup>th</sup> and we do have someone recommended for the position, we should know in the next three weeks who will be joining Myndi.

## BMS Report

BMS softball joined the Conrad softball league. 6th/7th/8th graders will play 7 games within the league. The first game is April 30th. There is a tournament, which is scheduled for June 1st in Conrad. I want to make the board aware of this, as we are already out of school then.

BMS track season is well underway with a couple track meets left before Divisionals.

BMS golf season is well underway. Unfortunately, Browning is the only middle school in Montana that offers golf through the middle school. Due to this, there is no way for our athletes to compete against other schools. BMS golf team has played 18 holes at Choteau's golf course and did a friendly inter squad dual. BMS plans to send the team to Conrad, Cut Bank, and East Glacier courses when they open up for business.

BMS spent \$15,000 on football, track, girls basketball, boys basketball, cross country, wrestling, golf, softball, and volleyball uniforms and equipment.

Tim Preston, from Universal Athletic Services (our equipment vendor rep), came to Browning on Tuesday April 16th, 2019. Each year the football helmets for BHS, BMS, and Napi will need to be sent in to be reconditioned. Tim took with him a total of 80 helmets and said the majority of them are outdated and new ones are needed. Helmets have a shelf life of 10 years, and the majority of them were from the 2010 season. BHS, BMS, and Napi will need to order more football helmets due to the majority of them being outdated.

## NAPI Report

Napi sports have just ended our basketball season. Our girls had a great time and learned a lot. We are now preparing for our track season in which we will compete with Cutswood and East glacier. Our 4th and 5th graders will not have a softball team this year as there is no competition. We were fortunate enough to secure place in the league that is put on by Chinook for our 6th graders, and next year we will look forward to trying to get our younger kids into the same league.
