

UNITED INDEPENDENT SCHOOL DISTRICT INFORMATIONAL ITEM

TOPIC: Overview of 2013 UISD Teacher Externship Program.

SUBMITTED BY: Alicia Carrillo, Ph.D., CTE Director

OF: Curriculum & Instruction

APPROVED FOR TRANSMITTAL TO SCHOOL BOARD: _____

DATE ASSIGNED FOR BOARD CONSIDERATION: September 17, 2013

INFORMATIONAL REPORT:

Video presentation of a small sample of 40 UISD Core Academics teachers selected to participate in the district's 2013 Summer Teacher Externship Program:

Participating UISD core academic teachers were placed at a worksite for five days, rotating through different departments and shadowing staff. Teachers then used their worksite experiences to create rigorous and relevant curriculum activities for their respective subject areas.

Powerpoint slides of Oil and Gas Production Systems teachers at Lewis Energy Group externship site:

Teachers who were selected to teach in United I.S.D.'s innovative Oil and Gas Production Systems program participated in an externship with the Lewis Energy Group (LEG) in Encinal for a week in July. Teachers used these experiences to refine their scope and sequence for the 2013-14 school year.

United ISD Oil and Gas Academy

Roberto J. Santos, Superintendent

UISD - First school district in the state to design an innovative curriculum in Oil and Gas Production! This will become the curriculum model for Oil and Gas for Texas.
