Background Information

With the recent end in the Governor's emergency powers, the district will need to shift back to in-person-only meetings. Recent changes to state statute and information from the Minnesota School Boards Association provide guidance on what can be done.

The recommendation provides flexibility for board members to attend virtually until 60 days after the end of the Governor's emergency powers. Further, the recommendation is conduct meetings in the high school because of our current ability to easily livestream and/or record meetings as desired.

Recommendation

I move to conduct:

- hybrid board meetings until September 1, 2021 as long as a quorum of members are not physically present.
- in-person-only board meetings beginning on September 1, 2021; and
- board meetings in RWHS J110 (training center).
