Background Information

MSBA is in the process of deep review and revision of existing policies. Some of the revisions come directly from federal or Minnesota Law. Because the revisions drawn from federal or Minnesota law potentially concern matters of stakeholder interest, MSBA recommends that school boards consider the substantive revisions and use the multiple meeting adoption process set forth in MSBA Model Policy 208.

Policy 515	Protection of Pupil Records	Adds 'education support services data'
Policy 524	Internet Use	Adds notice and provider provisions
Policy 533	Wellness	Adds policy standards and guidelines

Recommendation

Any changed policies will be presented to the school board at an upcoming meeting for approval.
