Re: Board Report March 10, 2014

Boys Basketball

The 8th grade boys basketball team finished the season 2-9. They were seeded 6th going into the SRV Tournament. They upset the 3rd seed, Parma to advance to the semi-finals. They lost to Ontario in the semifinals.

The 7th grade boys finished the season 9 and 2. They finished the regular season seeded first. They earned a first round bye and faced Fruitland in the semifinals. Fruitland beat Homedale by 8 points halting the Trojans advance to the title game. Homedale had defeated Fruitland twice in the regular season by margins of 3 and 1 point.

Track

The first day of track practice is scheduled for March 17th. There were 42 who signed up at the track meeting. Official numbers will not be known until the first day of practice.

Academic Bowl

The academic bowl team finished their last meet in first place. They had been winning the meets early in the season but had struggled with the past two meets finishing in 2nd and 3rd. They have two meets remaining, March 12th at McCain Middle School and April 16th in Vale.

Emmett joining the SRV

Emmett Middle School has announced that they will be joining the middle school SRV Conference along with the high school. This will put our number of teams participating in the league to seven. As a conference we have decided not to increase the amount of games played in the regular seasons. It will however, extend some seasons by one to two weeks since there are an odd amount of teams; this will create some bye dates. These will be some of the changes that will occur in the schedules:

Football

Teams will play the six teams in their conference, the playoff game will no longer be played.

Volleyball and Basketball

10 games will be played in regular season. The first 4 games will be considered nonconference. The last 6 games will be counted for post season rankings. A single elimination tournament will still take place at the end of the season.
