May 25, 2022

Dear Ms. Guardipee-Hall,

I am writing to inform you that after much consideration, I have decided I will not be returning to Browning Public Schools for the 2022-2023 school year. I want to thank the board of trustees, you, and former superintendent Mary Johnson for giving me the opportunity to serve our community and our students. I often tell others that returning to Browning Public Schools in 1999 was the best decision I could have made for my professional life. This decision opened doors to opportunities I never dreamed of experiencing. Because of our work here, I was able to travel to several national conferences and promote IEFA and showcase work our students were doing. I have been proud to be part of the BPS family, and I want to thank everyone for the support I have received the last twenty-three years. I wish our students and staff the best in the coming years.

Sincerely,
