Dear DeAnn O'Neil,

I am pleased to inform you that Sheridan School District 48J has been awarded \$760 for use with your Summer Food Service Program for 2014. This grant was made possible by generous support from The Clark Foundation.

To acknowledge that you have received the enclosed grant funds and understand the requirements, please sign and return the enclosed grant confirmation form within two weeks.

We will also send a Summer Food Grant Report form and additional evaluation tools by email in late July or early August. Throughout the summer, please remember to record any stories or anecdotes from staff or the families you serve. This information will be helpful in our effort to communicate the impact of these grants to our own funders.

In addition to providing financial support, we are committed to offering assistance with other needs your program may have. Our outreach specialists will be contacting you in the coming weeks to learn more about your program and to schedule a brief site visit so that we can see your great work in action.

We are so pleased that you are able to offer healthy meals to children in your program this year, and are honored to partner with you in the critical work of fighting childhood hunger in Oregon. Please call or email us if you have any questions.

Sincerely,

Lesley Nelson  
Child Nutrition Outreach Specialist
