

October 8, 2024

To: Superintendent Dr. Trish Perry and Board of Education

I am writing to formally announce to you that I have decided that I need to begin another journey of my life called Retirement.

I have enjoyed working for Foley Public Schools for the past 25 years as the Child Nutrition Director. The opportunity to work alongside the Child Nutrition Staff, District Staff, Students and Community has been a great pleasure. I am very pleased with the opportunities Foley Schools has provided me and I have learned so much over the years and hope to continue to provide skills for School Nutrition staff across the state.

My last working day of my current contract will be November 30, 2024.

I would then like to proceed with the Phased Out PERA Process if I could to allow the transition of the new Child Nutrition Director.

Sincerely,

Cheryl Pick

Child Nutrition Director
