Staff Professional Development

On November 5th the high school and the middle school will be participating in a professional development on inclusion.

Parent Teacher Conferences

5th grade participated in student led conferences which were a big hit and had a great turnout. Grades 6-8 had 100% turnout for appointments made for students who are struggling academically. We also had several parents drop in for the drop in time made available.

Benchmark Testing

Benchmark testing for winter will begin around December 1st. We have given some of the ISAT Interim pre-post tests and have observed great growth in our data.
