Principal's General Narrative:

School is just a few short weeks away and staff and Administration is preparing for the upcoming 2012 – 2013 school year. Football and Volleyball two- a-days are well under way and coaches are excited about the energy and enthusiasm from the students on the upcoming varsity and junior varsity teams. Special Education has been the focus for July and August and Administrators have been in scheduled meetings with Mrs. Posey of Cluster V. A new Special Education web-site has been set up for the district that should serve special education teachers and Administrators in servicing the needs of those students. The attendance committee has met and rulings have been made on the 2011-2012 school year. Administrators have been working hard to address attendance issues for the 2012 – 2013 school years. Teacher In-service is set for the week of August 20 – 24. A district-wide luncheon is planned for the campus on August 24 to build district wide unity and a district vision for the entire staff at Brackett ISD. GO TIGERS !!!!
