

School Board

Keevin

Adam

Matt

Timmy

I quit. This is a list of grievances for quitting:

1. Getting to school early and then hearing bubbly school announcements at the end of the day when I am in no need of jubilation. .
2. Getting paid...suckers, I would have done it for free.
3. Total lack of fist-fights (I was trained in 1997 on how to deal with this).
4. Al...way more smarter than I.
5. Missing the lunch staff due to my dietary restrictions (okay, I just wanted to mention them because they are awesome).
6. Students, **unprovoked**, bring in Christmas gifts
7. Timmy, waiting by my door just to talk when he knows It is my planning period/before school/afterschool.
8. Leaving a department (English) that has burdened me with their creativity, use of technology, great lesson plans...who can keep up?
9. Keevin kicking my ASS at cornhole.
10. Beat TR
11. At the end of the day.....I am going to record Adam's jubilation and play it as I wake in Yosemite.
12. I am so sorry to leave. I have enjoyed each endeavor and have met so many awesome people.

P.S. Adam's announcements make it REALLY hard to retire. What a gift.
