

CHILD CARE AND DEVELOPMENT PROGRAMS

BP 6179

Note: The following optional policy may be revised or deleted to reflect district philosophy and needs.

The School Board wishes to provide a safe environment with competent, caring supervision for children whose parents/guardians are working, in training, seeking jobs, incapacitated, or in need of respite. Besides attempting to help children develop intellectually, socially, emotionally and physically, district child care and preschool programs should strengthen families by enhancing parenting skills and reducing the strain on parents.

The Superintendent or designee shall ensure that district child care and preschool programs comply with requirements of law.

A district must submit annual assurances to the department indicating that the district has adopted written policies that ensure compliance with the programmatic requirements of 4 AAC 60.170, the pre-elementary education regulation. The assurances must be signed by the superintendent for the district.
