## 2025–26 Certification of Provision of Instructional Materials

In accordance with [Texas Education Code 31.1011](#), local educational agencies (LEAs) are required to certify annually to the State Board of Education (SBOE) and the commissioner that students have access to instructional materials covering all Texas Essential Knowledge and Skills (TEKS) for all required subjects, except physical education.

Additionally, LEAs are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under (i) the Children's Internet Protection Act (Pub. L. No. 106-554); (ii) Section [28.0022](#); (iii) Section [43.22](#), Penal Code; and (iv) any other law or regulation that protects students from obscene or harmful content. The TEKS Certification 2025–26 Survey includes a section to allow LEAs to certify they meet this requirement.

Like last year's process, the agency will utilize the following tools:

### **Certification 2025–26 Form:**

Printable, hard copy of the survey to be completed offline and presented to the board of trustees or governing body for ratification and signatures.

### **Certification 2025–26 Survey:**

Web-based application where LEAs will submit their responses collected on the TEKS Certification 2025–26 Form, and where LEAs will upload the signature page of the Form.

This year's Certification Process requires:

- The completion of the Certification 2025–26 Form;
- Ratification by the LEA's board of trustees or governing body in an open, public-noticed meeting; and
- Submission of the Certification 2025–26 Survey and upload of the ratified Certification 2025–26 Form.

TEA recommends that LEAs complete these steps by **May 1, 2025**. The Certification 2025–26 Form can be accessed at the following link on the [Certification of Provision of Instructional Materials webpage](#).

The state online instructional materials ordering system, EMAT, will close for annual maintenance on March 28, 2025, and is scheduled to reopen on May 15, 2025. **Completion of the Certification Process is required to regain access to allotment funds when EMAT reopens in May of 2025.**

Certification 2025–26 Survey submissions received after May 15, 2025, will typically be processed within five business days, then access to EMAT provided.

## Instructions to Complete the Certification Process for 2025–26

1. **Review the Certification 2025–26 Form:** Print the fillable TEKS Certification 2025–26 Form found on the [Certification of Provision of Instructional Materials webpage](#).

3. **Complete Certification 2025–26 Form:** Complete the TEKS Certification 2025–26 Form by hand or digitally.
4. **Obtain needed signatures:** Ratify the **Certification 2025–26 Form** by the LEA's board of trustees or governing body in an upcoming, open board meeting.
5. **Submit Certification 2025–26 Survey:** Complete the online Certification 2025–26 Survey by answering the questions. Inside the survey you will upload the signed Allotment and Certification 2025–26 Form from Step 4. The survey will be open for submissions beginning Monday, March 17, 2025, and will be located on the [Certification of Provision of Instructional Materials webpage](#).
