Enrichment Fridays

11 Fourth Graders + 10 Fifth Graders + 1 Treehouse Task = Fantastic Results

School Librarian Role in Pandemic Learning Conditions

- Provide technical support for learners and families while distance learning
- Curate high quality digital resources
- Teach learners how to use digital platforms and resources
- Collaborate with admin, educators, parents & community members, proactively responding to evolving needs
- Manage the impact of social distancing requirements, including library capacity, seating arrangements, traffic flow, circulation access

School librarians have high-level tech roles in their schools

71%
are responsible for tech use in the library.

51%
collaborate with teachers to create tech-integrated lessons and assessments.

45%
help introduce tech at the classroom level.

43%
say teachers and students come to the library to learn new technologies.

41%
lead professional development activities.

38%
say they impact tech adoption/integration school-wide.

36%
serve on their school tech team.

28%
co-teach tech-rich lessons with partner teachers.

19%
serve on the district tech team.

Goals Achieved

- Created a Future Ready Framework Plan
- K-5 Library lessons linked to standards
- Established Seesaw, a Learning Management System, in the elementary
- Targeted HS, MS, ES Library Completion Tasks
- Increased social media presence
- Provided Enrichment Fridays from March-May to 4th & 5th graders
- Increased database usage
- Introduced NoodleTools- a citation tool

Goals to Continue

- Increase circulation
- Diversification of library collections
- Reduce aged titles
- Achieve recommended balance fiction/nonfiction
- Genrefication of Fiction at MS and Elementary Libraries to help students find books according to interest easier
- Integration of STEM into MS programming
- Implement 6-12 Digital Citizenship curriculum
