SUBSTITUTE TEACHERS - ADMINISTRATIVE REGULATIONS

Substitute teachers who are licensed by the Nevada State Department of Education (NDOE) are utilized by the District on both a short- and long-term basis as the need arises. The District uses substitute teachers to provide instruction in the classroom when regularly assigned teachers are absent, and for teaching positions for which there is no contract teacher.

In the event the need for the assignment is for the entire school year, or a substantial part remainder of the school year, the District may offer the substitute teacher a short-term contract. The principal of the school in which the substitute teacher is employed is responsible for recommending the use of short-term contracts to the Executive Director of Human Resources when warranted.

1. The District may hire a person who holds an endorsement as a substitute teacher to fill the position of a teacher under contract who is unavailable to teach. An emergency substitute teacher may be used only in an occurrence of an unforeseen

circumstance which requires immediate action, including any period during which a licensed teacher or substitute teacher is not immediately available.

5. The Human Resources Department will maintain a list of available substitute teachers from those applicants who have been approved for hire. Arrangements for substitute teachers will be made through the Human Resources office substitute management system by each school site.

6. Substitute teachers under the age of 21 are eligible to substitute teach in the elementary grades (Early Childhood through eighth grade).

7. The Board of Trustees will approve the daily and long-term rates of pay for substitute teachers. These rates will be listed as part of ~~When working in the same assignment, substitute teachers will be paid according to~~ the Supplemental Pay Schedule for Unclassified Employees.
