Re: Approval of renewal contract for Edmentum on-line curriculum licenses

This evening we are seeking permission from the Board of Education to renew and approve a three-year contract with Edmentum, Minneapolis, Minnesota, to provide credit recovery on-line courseware licenses for the 2026-2029 school years. This renewal includes the Core course library, comprehensive health and PE library, HS Elective library, and HS CTE library. Credit recovery courseware is available to students at United Township High School and the United Township Education Center.

The cost of the three-year renewal license is \$115,526.80. The cost of a one-year license renewal is \$42,787.75. Renewing this license for three years will provide the district a total cost savings of \$12,836.46 over the next three years. The renewal of licensing will be from July 10, 2026 to July 9, 2029.

It is our recommendation that the Board approve the renewal contract with Edmentum, Minneapolis, Minnesota, at a total cost of \$115,526.80 to be paid out of district funds.
