Principal's General Narrative:

This is a very busy time of the year for students, teachers, and administrators. Athletic, band, and UIL Academic and One Act Play coaches and students are flying up and down the road. Congratulations should go to the UIL academic coaches and students and to the One Act Play directors, (Lisa Conoly and Christina Meek) cast, and crew. We finished a close 2nd behind Mason in our 11 team district and the One Act Play advanced out of the zone competition and was named the alternate play at the district level. We have a great balance in our school and have always performed well on both athletic and academic activities.

The secondary school faculty, as always, would like to express our appreciation for the support and leadership from the school board, superintendent, and everyone in the central office. Thanks.
