AGENDA ITEM: 4.2

TOPIC: Strategic Planning:

- Report for 2014-15
- Plans for 2015-16

BACKGROUND: Our district has been involved in strategic planning for many years. During the summer/early fall we typically review the work of the past year and report on the work scheduled for the upcoming year.

PROCESS: The same document that was developed by the strategic planning committee is used each year to track progress.

RECOMMENDATION: Presentation of the work of 2014-15 and the work planned for 2015-16.
