Item Category: Future Consent Item

Primary Contact: Dr. Roosevelt Nivens

Presenter(s)/Add'l Contact(s): Greg Buchanan

Item Name: DISCUSSION OF EDUCATIONAL SPECIFICATIONS FOR THE DESIGN AND CONSTRUCTION OF LAMAR CISD FACILITIES

Item Summary: The Texas Education Agency now requires all school districts to create and review a written educational program that guides the design process of new proposed facilities or major renovations. These specifications will be reviewed every five (5) years. ERO/IN2 Architects has facilitated this process. Focus groups were created to discuss the District's goals for each department related to learning outcomes and facility design. This document will be distributed to all district architects to be used as the design guideline.

Recommendation: The administration recommends that the Board of Trustees approve the educational specifications for future construction projects as presented.
