Re: **UPDATED** Staff - 2026 UTHS June Credit Recovery Summer School Session

UTHS will be offering credit recovery summer school sessions that will begin in June. The June Credit Recovery Summer School will begin on June 2 and run through June 30 (non-attendance on June 19). Each day of credit recovery summer school will have one, four-hour session from 8:00 a.m. to 12:00 p.m.

To ensure optimal support as students begin their courses, we have structured the staffing schedule to front-load instructor support during the first two weeks of the session, June 2 – June 15. The level of instructor support will then taper off during the final two weeks, June 16 – June 30, as students progress and become more independent in their PLATO credit recovery work.
