RE: Salesforce Donation

DATE: February 14, 2017

SalesForce would like to donate the following:

- SalesForce will deliver between 100-200 Macbook Air or Pro computers with no cost for delivery
- The devices will range from one to three years of age and have solid state hard drives
- The total estimated value of the devices is between \$500-1000 per device.

These items support students and district curriculum. The donations have been reviewed and supported by administration.
