Please help the selection committee by completing the following:

I, **Bill Green**, agree strongly, agree, disagree, disagree strongly with the above nomination for the LPS Golden Apple Award.

Additional comments: It is my pleasure to strongly support the nomination of Jeff Graham, Roosevelt Building Supervisor, for the Golden Apple Award.

Jeff Graham doesn't let his job description of Building Supervisor limit what he does for Roosevelt Elementary School. He lives by the words listed in our LPS respectful interaction gears and character elements. He puts his needs secondary to the needs of staff and most importantly students. Jeff participates in the school day! He doesn't sit in his office and wait to be called upon! He is proactive and diligent in arrival supervision, cleaning duties, snow removal, grass cutting, and recess and lunch monitoring. In addition, Jeff is a valued member of the Roosevelt PTA. He goes above and beyond to support school events and functions on his own time.

A building doesn't function well without everyone moving in the right direction. Jeff has built relationships with many district employees. He seeks input from others, he has colleagues that support him and most importantly he has a mindset that always focuses on a solution and not the problem. Our school district has always stressed teaming together Truly, Jeff lives this day in and day out for the Livonia Public Schools School District and our Roosevelt Tigers.

What impresses me most about Jeff Graham, which is the essence of the Golden Apple Award, is his dedication to students. He cares about their safety (*arrival duty, lunch duty, playing with them on recess after his day is done*), he mentors students who are struggling with behavior, trauma or self-esteem (*by giving them jobs to help around the building and building their leadership capacity*) and he is grateful for his ability to serve our students and staff on a daily basis.
