Ipalook Elementary SAC Report

IPK enjoyed an amazing start to the school year with students and families meeting their teachers on August 16th. The school was bursting at the seams with excitement.

Our students have been challenged to come to school every day and will be recognized for their outstanding and improved attendance. Students with 90% and above attendance will have the opportunity to win a bicycle. Students with improved or attendance of at least 80% will be able to choose which administrator they would like to lunch with.

The Immersion program opened on August 28th with 20 enthusiastic 3 and 4 year olds.

Our current school enrollment is:

Pre-K 3	Pre-K 4	Kindergarten	1 st	2 nd	3 rd	4 th	5 th	Total
24	52	59	78	65	70	73	86	524
