Student Activities: November 9th the **Lady Pirates** competed at the **OSAA State Cross Country Meet** at Lane Community College in Eugene. The team, comprised of Jordan White, Dinah Schultz, Karissa Hadermann, Olivia Hooley, Rheanne Bryant, Emma Murphy and Lilly Hucek-Marteeny finished overall in 6th place. Individually, White finished in 2nd place running a personal best of 18:54. White earned 1st Team All-State Honors and Schultz earned Honorable Mention All-State Honors.

As fall sports wrapped up, **winter sports** got underway with practices beginning November 18th for the boys and girls basketball teams, wrestling and the cheer/dance team. Boys' basketball has seen an influx in participation and some JVII games have been scheduled.

Both the **Speech & Debate Team** and **Robotics Club** have had good participation. Speechies hosted the Oktoberfest Tournament this year and are continuing to perfect their presentations at various tournaments. While Robotics has a number of new participants this year, they continue to work hard and are looking forward to competitions. If you have an interest in volunteering to help with either of these student groups, please contact Hannah Reynolds, Speech Coach, (hannahr@nknsd.org) or Kathryn Harmon, Robotics Advisory, (kathrynh@nknsd.org).

Michael Simpson and the Neah-Kah-Nie Choir are taking the Tillamook County Peace & Goodwill Mini Tour December 13th and 20th. For specific information pertaining to the choir's performances, please visit their Facebook page: Neah-Kah-Nie Choir. Please contact Mr. Simpson at 503-355-3582 with any questions.

Reminder from the Counseling Center for seniors & their parents:

- If you haven't already done so, please complete the 2020/2021 FAFSA application. The counselor is available to assist and can be reached through email (esthert@nknsd.org) or by phone (503 355-3588).
- The scholarship marathon is coming up so make sure you have your letters of recommendation in hand and activity chart ready to go!
- Seniors who have not yet met their graduation benchmarks should make arrangements with the counselor to do testing or work samples. Do Not Wait Until 3rd Trimester!

Athletic Schedules: Wrestling and basketball schedules follow for your convenience. Please note, schedules are subject to change. If you have questions pertaining to a specific game or meet, please contact Margaret Whiting, Athletic Secretary, at 503-355-2272.

Student and Parent Opportunities:

Student leadership opportunities: The Cezar E Chavez Student Leadership Conference will be held soon. This is an opportunity for Latinx students to meet other student leaders from other schools, find out about college and job opportunities, celebrate their culture and participate in a variety of interesting activities. Sign up with Ms. Schlottman or in the office!

School Success Act- students, parents, staff and community members are invited to provide input on their priorities for our district. A variety of surveys have been offered, focus group meetings have been scheduled. We also invite you to call or email us your ideas. The NKN HS Site council will be reviewing all data and feedback to our school and working to match high school efforts with priorities set by the district- informed by our stakeholders- you!

Hall of Fame Induction: Saturday, December 7th, the 1954 NKN Baseball Team, the 1994 NKN State Champion Volleyball Team and 1999 graduate Kelsey Baron were inducted into the NKN Hall of Fame. In addition to the annual induction of alumni into the Hall of Fame a fund has been established “to provide extra opportunities for our school athletic programs and to build a new Hall of Fame Gallery. In building this fund we are honoring our past to build our future.” Any questions regarding the Hall of Fame or to nominate a future inductee, please contact Corey Douma (coreyd@nknsd.org) or the high school office at 503-355-2272.

Thank you, Mudd-Nick Foundation: The students and staff of Neah-Kah-Nie High School would like to thank the Mudd-Nicks for providing funding to support the following student growth opportunities:

Career speakers at school, Cezar E. Chavez Leadership Conference, Fire School, Sports Leadership Conference, HOBY, baseball spring break trip, band trip, Robotics activities, FBLA State and field trips to colleges to learn about careers in CTE, engineering and the medical field.

Students interested in any of these opportunities should contact the school office.

Thank you for your support!

Student lunch accounts: If your student was on the Free/Reduced Lunch Program last year, to continue this year, an application would need to be completed. If you have any questions whether or not your son or daughter are currently on the lunch program, please contact Delpha Corwin (503-355-2258) in the high school office. Also, please note students are allowed to take a second entrée but students are charged \$3.25 for the second lunch even if on the Free/Reduce Lunch Program.

Winter Break begins December 21st, 2019 and school resumes January 6th, 2020. We wish each of you a relaxing, enjoyable break with your family!
