

STRATEGIC PLAN QUARTERLY BOARD UPDATE

The District began work on the strategic plan, *The Future is Now*, in March 2019 to guide the work of the District through the year 2024.

There will be quarterly strategic plan board updates on the different projects of the strategic plan. The following topics will be presented on February 13, 2024: (1) Establish To and Through Efforts, (2) and Develop a System of Support for National Board Certification.
