Notable Highlights:

Overall, our TAKS results were good. I commend our students, parents, and teachers for their efforts. Even though our school year is not quite over, we have already begun to address instructional factors needed to close educational gaps and hopefully reach our TAKS goals. I commend our Early Intervention Team: Mrs. Blake, Mrs. Wiebush, Mrs. Plunk, and

Mrs. Jones for the countless hours they have spent researching and preparing our staff for RTI - Response to Intervention. Their leadership is greatly appreciated.

Principal's General Narrative: *May 7th thru 11th was Teacher Appreciation Week!!! I hope our entire staff of caring individuals felt the warm, appreciative gestures displayed by students and parents as we celebrated their commitment to education. A special thanks to our Parent Teacher Organization for their thoughtfulness in highlighting our staff during this special week,*

Respectfully,

Alma Gutierrez
