Strategic Plan Update – CHARACTER

On March 20, 2012, CISD and the City of Coppell are co-hosting a screening of the anti-bullying documentary, “Finding Kind.” This documentary deals with female bullying, its implications and prevention. At the conclusion of the screening, members of the CISD faculty and volunteers from the City of Coppell will facilitate breakout sessions to discuss the film and what can be done to address bullying among our female students.

The target audience for the film is 6th -11th grade female students and their mothers.
