**Principal's General Narrative:**

Brackett Jr. High has put together a Campus Leadership Team to address areas of low performance identified by TEA in its 2013 System Safeguards report. The areas identified were in Science (Economic) and Social Studies ( Overall, Hispanic, Economic). The interventions that address these areas will be also be included in the Secondary Campus Improvement Plan.

Tutorials are being held at various times by Mrs. Hernandez, Miss Bader, Mrs. Woodson, and myself to provide assistance to students needing help in subject areas. Mrs. Brotherton and Mr. McKaskle have coaching duties that do not allow them to hold tutorials, but they coordinate with me if students in their classes need to get help.

Our Jr. High volleyball season has ended and the girls began basketball training on Monday, November 04, 2013. The Jr. High football season ended Thursday, November 7, 2013 and they will begin basketball training once football equipment has been turned in.

Everyone from teaching staff to support staff is working hard to keep the Jr. High learning environment at a positive and productive level. Our thanks to school board members and central office for the things you do to help us in our efforts to educate all students.

Respectfully Submitted,

George T. "Stoney" Burks
