Harvey School District 152

My name is Willie Townes, I have been working for School District 152 in many different capacities over the last four years. The majority of that time was spent working in the buildings and grounds department.

I would like to be considered for the position of a substitute worker for buildings and grounds this summer.

If you have any questions, please feel free to contact me at 708-925-8838.

Thanks in Advance

Willie Townes
