RE: Amendment of Public School Calendar 2020-21

On June 16, 2020, Governor Pritzker signed Senate Bill 1863 that included a measure to make the November 3, 2020 Election Day a holiday for all state and local government employees, including all Illinois public schools.

The current Public School Calendar for the 2020-21 school year, approved by the District 90 Board of Education in February, had intended to utilize November 3, 2020 as a Teacher Institute Day, and will therefore need to be amended. Below is the proposed change to the 2020-21 Public School Calendar:

Student Start Date – Thursday, August 27

Wednesday, August 26 will be repurposed as a Teacher Institute Day. Previously designated as the first day of student attendance, this shift will allow additional time to set up the school environment the safe return to school.

End Date

Monday, June 14, 2021 - last day of student attendance.
