

LPSD Strategic Planning

Review:

On **May 5, 2021**, the Lake and Peninsula School Board met with Tiffany Jackson - AASB Director of Membership Services, to discuss updating the Lake and Peninsula School District strategic plan.

Topics Covered:

- Setting the Tone
- What is Effective Governance?
- The Key Work of School Boards
 - Vision
 - Policy
 - Community Leader
 - Board / Supt. Team
- Setting the Stage for the Superintendent's success
- What do our policies say?
 - Communication
 - Superintendent Job Description
 - Board Bylaws (the 9000's)
- Expectations of the Superintendent and the Board
- The Board's Roles vs Superintendent's Roles

October 20, 2022, we continued our work focusing on:

Full Strategic Plan Details:

- The last time the mission and vision were updated was possibly in 2015
- The agreed on best practice is to visit our Strategic Plan every 3-5 years
- Draft **LPSD Vision** (where we want to be)
 - "We grow self-directed, lifelong learners who are grounded in their culture and contribute to their communities."*
- Draft **LPSD Mission** (how will you get there)
 - "We will nourish student growth by investing in partnerships and creating culturally responsive, place-based curriculum."*

May 16, 2023, we continued our work...

- Concentration of effort through a focused purpose; what are key areas of growth
 - Life Ready
 - Partnerships
 - Standards/Project Based
 - Data Informed

Next Steps:

- ➔ Adopt the Mission & Vision via Zoom prior to January 30 if possible
 - ◆ January Work Session (only) or including a meeting?
 - 16th or 23rd?
- ➔ Admin Team will be in Anchorage for MTSS/RTI January 26-29; we planned to extend their stay to work through the Goal areas if the Mission and vision can be adopted.
