

Cameron Middle School Board Report – September 23, 2013

Principal's Advisory Council – The council met on Sept. 10 to discuss opening day and week activities. We also talked about our new schedule, assessment planning and SLOs. Mr. Huseeth, Mrs. Hickok, Mr. Borstad, Mr. Klabunde and Mrs. Rust attended the first PAC meeting.

Core Team Meetings – Our core teams have set up weekly team meetings to discuss individual student achievement and flexible grouping to accommodate student needs.

Talk with Tom – There will be a 'Talk with Tom' session on Wednesday, Sept. 25 at 7:30 a.m. for any certified or support staff that would like to talk about school questions or suggestions.

CMS Learning Leadership Team – We will be meeting on Oct. 2 to continue to develop our RtI and PBIS program at CMS. The major topics of discussion will be STAR assessments, interpreting data and our Learning Labs. This year we will be emphasizing effective common core instruction and using data to form instruction.

STAR Math and Reading Assessments – Our 5-8 Reading and Math teachers facilitated our students in taking their first STAR assessments. We are working on developing and interpreting reports so that we can make adjustments on how to effectively instruct our students.
